HAWKEYE DOWNS IS A GOOD PLACE TO BUY SHORTHORNS!

We have had 8 All-Shorthorn sales at Hawkeye Downs and 10 sales jointly with the Hawkeye Downs Polled Shorthorn offerings. This is our first All-Shorthorn sale since September, 1959. With renewed interest in our reds, whites and roans we should be able to have separate sales each September.

Dinner Meeting: Some of our consignors have suggested that we have our informal dinner meeting at the OX YOKE INN located in the world famous village of Amana, Iowa, which is 16 miles Southwest on Hwy. 149 from the Junction of Highways 30, 218, 149 and 64 at the Southwest corner of Cedar Rapids. Accordingly we have arranged for an ala carte dinner in the Woodshed Dining Room in the above Inn at 6:30 the evening before the sale. The consignors and sale manager will make an effort to get people interested in going to the INN together, become better acquainted and use fewer cars for the trip. See us for arrangements.

Livestock Insurance may be obtained in the American Livestock Ins. Co. Harding and Harding - through the sale manager, Earl S. Gorton.

PLEASE BRING THIS CATALOG TO THE SALE WITH YOU.

LUNCH: Will be served on the grounds.

1. The auctioneer will settle any disputes as to bids.
2. **Terms:** Cash, unless arranged before the sale between seller and buyer and clerk so notified.
3. **Guarantee:** All cattle are sold subject to a sixty day retest for Tuberculosis if kept isolated, unless going into a Federal Accredited Herd. Health certificates will be furnished to enable them to be shipped into other states. All cattle have been tested for Tuberculosis unless they come from an accredited herd. The cattle have been tested for Bang's within 30 days or are calfhood vaccinated following a clean test unless otherwise stated. Bulls are guaranteed breeders if properly cared for, not allowed to run with the herd, and not used before 14 months of age. If a bull fails to breed, he may be returned to the seller and if after a test in the seller's herd he still fails to breed he will be replaced or the purchase money be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over 14 months old at the time of sale are guaranteed to be breeders. Heifers should not be served by heavy or old bulls. The buyer must give the seller notice within 90 days in case of a non-breeder. In the case of young bulls this means within 90 days after they become 14 mos. of age. All animals must be in as good condition as when purchased to be eligible for adjustment. Animals returned to sellers because they do not comply with guarantee will be at the buyer's cost of transportation.
The above guarantee and terms shall constitute a contract between the consignor and buyer of each lot.
4. The Sale Manager and Clerk act only as agents for the several consignors to the sale, making collections for the account of each consignor and they do not assume any responsibility for the above breeding guarantee.
5. Your sale manager liked a feature at the Perth, Scotland, sale in 1960. The seller stood near the auction block. He could state a "Reserve Bid" or have the auctioneer announce "No Sale". We will follow that practice. In case of a "No Sale", the seller pays the regular prorata sale expense but there will not be any manager's fee. However, if any animals are "By-Bid", there will be due the manager's 2% fee.
6. A Certificate of Registry and signed transfer will be furnished for each lot sold and an application for registry will be furnished, for each calf sold at foot.
7. We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.
8. **Mail Bids:** Those wishing to buy at this sale and who cannot attend may send their bids to the auctioneer, sale manager, or special representatives.
9. **Auctioneer:** J. E. Halsey, Des Moines.
